Eligibility

Division Requirements

We ask that horse and rider combinations who have shown at an EC recognized competition compete one division up from what they have shown at EC competitions.

We will make an exception for the competitors who "sampled" showing at a recognized level (without winning a ribbon) and decided it was not yet for them.

Hack Division is open to horses or ponies.

Horse and Rider combinations who have been year end champion in a division of our show series are not eligible to show the same horse/pony in the same division the following year or after.

Division points are calculated based on horse/rider combination.

Horse/Rider combinations must compete in the same division at 3 out of 5 shows to be eligible for yearend awards.

Professionals are welcome to show in any division at any concours.

Important Notes

Warm Ups:

Free flat warm up is offered in all show rings between 7:00AM and 8:00AM.

There are opportunities for paid “ticketed” warmup before each division in those rings. Register for warm up on ESM with your regular show entry.

Ticketed hunter warm up entitles the ticket bearer to ONE trip around the course only. Please try to be as quick and efficient as possible.

Clear round classes are offered in the Jumper Ring in lieu of ticketed warm up.

Upper Grass Ring is available for flat warm up only until Beginner divisions are complete, at which time the first judge finished in their regular ring will relocate to the grass ring for the Open Special Classes (not to begin before noon).

Indoor Arena is open for warm up only.
