# Eligibility

## Division Requirements

Horse and rider combinations who have shown at recognized competitions (EC Silver and above) must compete one division up from what they have shown at a recognized level. Riders are not eligible to ride in the equitation division if they also ride that division at EC Silver level or above.

We will make an exception for the competitors who "sampled" showing at a recognized level (either at only 1 show or without winning a ribbon) and decided it was not yet for them.

Horse and rider combinations who have been year end champion in a division at our show series are not eligible to show the same horse/rider combination in the same division the following year or after.

Division points are calculated based on horse/rider combination.

Horse/Rider combinations must compete in the same division at 3 out of 5 shows to be eligible for year end awards, except for equitation divisions where riders must still compete in 3 of 5 shows but are not required to ride the same horse/pony.

The Hack Division is open to horses and ponies.

Equitation Divisions (Ages as of Jan 1, 2023):

Junior 'A' - A rider who is 15, 16, or 17 on January 1<sup>st</sup>, 2023.

Junior 'B' - A rider who is 12, 13, or 14 on January 1<sup>st</sup>, 2023.

Junior 'C' - A rider who is under 12 on January 1<sup>st</sup>, 2023.

Adult equitation riders must be amateurs.

Professionals are welcome to ride in any Jr/Am division au concours.

All special classes are open to all Jr/Am's and professionals including those who show EC Silver or above.
